SUMMARY

Experienced Electromechanical Technician with more than 30 years of experience in electrical diagnostics, maintenance and repair of industrial equipment and commercial vehicles.

Practical experience in electrical systems diagnostics and repair of MAN city buses, assembly of electric buses, commercial vehicle conversion and industrial maintenance.

Strong background in troubleshooting electrical and mechanical faults, reading electrical wiring diagrams, pneumatic and hydraulic systems, preventive maintenance and technical problem-solving.

Reliable, responsible and motivated to continue developing within an international commercial vehicle service organisation.

EDUCATION

Riga Civil Aviation School

1981-1984

Aviation Radio Technician

EXPERIENCE

Auto Electrician / Bus Electrical Technician

April 2026 - July 2026

Vilniaus viešasis transportas (Lithuania)

- Diagnosed and repaired electrical systems of MAN city buses.
- Troubleshoot electrical and electronic faults.
- Repaired vehicle wiring and electrical equipment.
- Used professional diagnostic equipment.
- Read and interpreted electrical wiring diagrams.
- Ensured reliable operation of vehicle electrical systems.

Assembly Mechanic

July 2025 - December 2025

Vervaet BV Frans, Netherlands

- Installed hydraulic pipes and hoses.
- Installed diesel engine exhaust systems.

- Assembled hydraulic components.
- Mounted structural and exterior vehicle components.
- Worked according to technical drawings.

Pre-delivery Installation Mechanic

August 2024 - May 2025

Van Mossel Solutions, Netherlands

- Converted Volkswagen Crafter commercial vehicles.
- Installed electrical equipment and LED lighting.
- Installed interior equipment and shelving systems.
- Performed electrical modifications.
- Worked according to customer specifications.

Electric Bus Assembly Technician

December 2022 - August 2024

Ebusco, Netherlands

- Installed electrical wiring harnesses.
- Routed high-voltage cables.
- Installed compressed-air systems.
- Installed air-conditioning systems.
- Read electrical wiring diagrams.
- Replaced connector terminals and electrical pins.
- Installed driver's dashboard components.

Technician

2012 - 2021

Morozproduct Ice Cream Factory

- Preventive maintenance of production equipment.
- Electrical diagnostics.
- Repair of electric motors and gearboxes.
- Pump repair.
- Refrigeration systems maintenance.
- Siemens operator panels.
- Festo pneumatic systems.
- Replacement of sensors and electrical components.
- Maintenance of industrial packaging equipment.

Freelance Business Owner

1993-2012

Radio Equipment Controller / Intel Processor Programmer

1988-1993

Vilnius Plant of Electrical Measuring Equipment

Shift Radio Technician

1984-1988

Vilnius Airport

TECHNICAL SKILLS

Electrical diagnostics
Vehicle electrical systems
Commercial vehicle maintenance
MAN city buses
Electric buses
Reading electrical wiring diagrams
Electrical troubleshooting
Preventive maintenance
Pneumatic systems
Hydraulic systems
Industrial equipment maintenance
Electrical measurements
Siemens operator panels
Festo pneumatic systems
Wiring harness installation
Mechanical assembly
Diagnostic equipment
Fault finding

CERTIFICATIONS

NEN 3140 / NEN 1010
Switchboard Installer / Supervisor
The Netherlands
Valid certificate
Dutch BSN available

LANGUAGES

Lithuanian - Advanced, English - Working Proficiency, Russian - Native

PERSONAL PROFILE

EU Citizen (Lithuania)
Category B Driving Licence
Willing to relocate
Quick learner
Strong analytical skills
Responsible and reliable
Team player
