Svajunas Ruibys

Auto Locksmith

Adept at enhancing operational efficiency, demonstrated through a successful stint at Amazon where I optimized packaging processes, significantly reducing material usage. Skilled in quality control and palletizing, my proactive approach and keen attention to detail have consistently improved product handling and workplace safety. My ability to train peers and streamline workflows underscores my commitment to excellence and teamwork.

Work experience

Construction worker

January 2025

Dan Arctica, Denmark

March 2026

I promptly carried out all instructions from the manager according to the planned plans on site.
I carried out all construction work safely in accordance with quality standards.
I carefully monitored the progress of the work to ensure the final result.

Assembler

November 2024

Amazon, Achim/Germany

January 2025

- Sealed, packed, labeled and affixed postage on packages to prepare materials for shipping, utilizing postage meters, and sealing tools.
- Unpacked and examined incoming shipments to record shortages, rectify damages and reject damaged items.
- Enhanced packing efficiency by implementing space-saving techniques and optimizing packaging materials usage.
- Expedited order processing time through effective organization and prioritization of tasks.
